VAUGHAN'S. BULBS

CHICAGO 1887

THROUGH the personal inspection of our agent in Holland, during the packing and shipment of our **DUTCH BULBS**, we expect the finest stock we have ever offered.

OUR NEW WAREHOUSE, gives us the best of facilities for handling all **BULBS, SEEDS** and **FLORISTS' SUPPLIES** promptly and easily. We have purchased in quantity, and marked our prices closer than ever before, and believe we can supply your wants to our mutual advantage.

The demand for Roman Hyacinths exceeded the production this year, and orders are solicited early to ensure execution, as much of our stock has already been engaged.

Since the **BULBS, ROOTS, etc.**, offered in this list are ready for shipment at different times, viz: **LILIUM HARRISII** by August 5th, **ROMAN HYACINTHS** by August 10th, **DUTCH BULBS** by September 5th, **SPIREA** and **TUBEROSES** in November, etc, it is very important for our customers to state when ordering whether goods are to be held in order to make one shipment, or whether they are to be shipped as soon as ready.

HOLIDAY DECORATIONS—Bouquet Green, Holly, Mistletoe, Florida Moss, etc., in season. **PROMPT SHIPMENT of GOOD STOCK.** Send for Special Circular November 1.

THROUGH FREIGHT RATES being low, we can ship to advantage to any part of the country. Write us for what you want.

New customers will please send cash with order. It is also well to send references, so that future orders, if mailed in haste or telegraphed, will have prompt attention.

We prefer not to send goods C. O. D., but when wanted in that manner some money must accompany orders. Perishable goods not sent C. O. D.

All **DAY TELEGRAMS** except on Cut Flower business should be sent to 146 and 148 West Washington street.

Instructions to Cut-Flower Buyers.

READ THEM.

It is never necessary to use the words "send" or "express" in a telegram, as that is understood. The words "one", "two", "three," etc., can be used to represent hundreds, and "quarter" to mean twenty-five or quarter of a hundred. If no word is used as to time, we always send by first possible train.

When possible give leaving time **AT CHICAGO** of train on which flowers are wanted, giving the even hour without the fraction, for instance—if train leaves at 5:10 or 5:45, use simply "five" in message, thus:—"Five, **Admiral**, three Carnations;" would mean send on five o'clock train, or not at all, 300 Carnations. If uncertain that message will reach us in time and an answer is wanted to make certain, add the word **Anticipate**, so it will read "Five **Admiral**, three Carnations; **Anticipate**," by which it will be understood you want an answer by wire.

If you want an answer **ONLY** in case we are **UNABLE TO SHIP** use the word **Abrogate**, for instance; "**Admiral**; ten Carnations, fifty Teas, one Fancy; **Durable**; **Abrogate**;" would mean: "Send on first train or not at all, one thousand white Carnations, fifty Tea Roses, all light colors. ANSWER IF YOU CANNOT."

If you do not receive flowers on train expected, meet next trains or other express lines where there are such.

ORDER BLANKS FOR CUT-FLOWERS FREE. Please write for and keep a supply, as it is a **GREAT HELP** in the prompt and correct filling of your orders.

NIGHT TELEGRAMS for us, [if sent at "**FULL RATES**,"] are brought by **SPECIAL MESSENGER** at once to the store, and have **IMMEDIATE ATTENTION**.

FLORAL DESIGNS filled to order for the Trade on **SHORT NOTICE**. If customers telegraph the price in ordering floral designs we shall understand it to be the retail rate [unless otherwise stated], from which we allow a discount of 25 to 35 per cent.
